WELCOME TO MCCURTAIN COUNTY

GUIDE 2022

A scenic photograph of a river with rapids. Two kayakers are visible: one in a yellow kayak on the left and one in a green kayak on the right. They are both wearing red life jackets and paddling. The river flows over dark rocks, creating white water rapids. The background is a dense forest of green trees.

The Southeast corner of Oklahoma, known as Little Dixie, is home to some of the most beautiful and breathtaking views this side of the Mississippi River. Located in this region is McCurtain County. Named after several great chiefs of the Choctaw Nation, McCurtain County occupies the extreme southeast corner of the state and borders Arkansas to the east and Texas to the south, minutes from both. The US Census Bureau estimated the population as of 2020 to be 30,814. Broken Bow, located at the heart of McCurtain County, is a thriving close-knit community and a much sought-after tourist destination. Since its humble beginnings in 1911 as a railroad town, Broken Bow has seen both economic and agricultural growth. Broken Bow's tourism industry is at an all time high with over two million visitors a year.

Playing host to Beavers Bend State Park and Broken Bow Lake, it is no wonder why people from all over come to enjoy a break from the hustle and bustle of fast-paced life to enjoy all that nature has to offer in our area. We boast

# BOW

many options for accommodations; all sizes of beautiful modern and rustic cabins, RV and tent camping sites, yurts, tiny cabins, hotels and 2 area lodges, something for any size group! Broken Bow is home to some great fishing, with year-round trout fishing and plenty of fly-fishing opportunities. Our lake has 180 miles of shore-line! It is one of Oklahoma's most picturesque lakes and has kept our locals and our guests coming back for generations. We have a very rich Native American history which came to a head during the Trail of Tears; a result of the Indian Removal Act of 1830. We are very proud of our Choctaw heritage and showcase several museums and memorials to honor our ancestral heritage. We also have a heart for the forests that surround us, which along with our abundant waterways, is our most prominent natural resource.

We truly hope that you will enjoy your visit. We're sure you'll find our residents friendly and helpful and our natural resources beautiful. We encourage you to take your time and stop in for a chat. ***We've always got a smile and a friendly handshake for you.***

The Broken Bow Chamber of Commerce is here to help you with any tourism, relocation, or historical information you may need.

# PLANNING TO RIDE YOUR OHV ON THE OUACHITA NATIONAL FOREST?

To make your trip more enjoyable, it is important to know where you may legally ride your 4-wheeler, motorcycle, or other ATV/OHV on the OUACHITA NATIONAL FOREST in McCurtain County north of Broken Bow, Oklahoma. Changes to open routes may be made annually, so be sure to check with the OUACHITA NATIONAL FOREST Visitor Office at the junction of Hwy 259 and Hwy 259A south to obtain a map and learn exact routes open for this use. Learn more by logging on to <http://fs.usda.gov/ouachita>.

## LEGAL RIDING INCLUDES:

- Riding on open, unpaved forest roads that are depicted on the Motor Vehicle Use Map (MVUM) available at the OUACHITA NATIONAL FOREST VISITOR OFFICE on Hwy 259A south.

## ILLEGAL RIDING INCLUDES:

- Riding out through the woods or across the forest floor
- Riding on powerline or pipeline right of ways, alongside the highway, or on any paved or unpaved road outside the boundary of the forest.
- Riding in streams or rivers. Please cross at right angles- and don't go "mudding" up and down streams or other muddy areas. Only cross where the road crosses the creek or river.
- Riding on any route not depicted on the Motor Vehicle Use Map (MVUM) as an open route.

Rules that may result in a fine if breached include:

- Riding on an undesignated route

- Operators or passengers under age 18 not wearing a helmet

- Carrying passengers on vehicles not manufactured for passengers

Have a great trip and understand that the rules and state laws are in place for a reason...protection of natural resources and human lives!

## ENJOY YOUR VISIT AND COME BACK SOON!

For more information, please call us at (580) 494-6402, or stop by the OUACHITA NATIONAL FOREST office located at the junction of Hwy 259 and Hwy 259A south M-F 8-4:30.

Fort Towson was established in 1824 as a frontier fort to monitor the Spanish across the Red River. By the late 1820's, the frontier was pushing further westward. The fort was repurposed as the destination site of the Choctaw Indians during the westward removal of the Five Civilized Tribes, known today as the 'Trail of Tears. The fort was eventually abandoned by the government in 1856.
