Broken Bow, located at the foothills of the Kiamichi Mountains in the Southeast corner of Oklahoma, is home to the ever-popular Beavers Bend State Park and Broken Bow Lake. Visitors come from near and far to enjoy the natural resources that have made Broken Bow thrive. Experience cozy comfortable cabins nestled in the towering pines. Skip rocks across deep mountain lakes surrounded by national forests. Listen to a clear running scenic river or enjoy great fly fishing and thrilling whitewater adventures. There's something for the entire family!

Broken Bow Lake has 180 miles of shoreline, it is one of Oklahoma's most scenic lakes with the shore lined with forest covered mountains. We are the place to visit for all kinds of water sports! Broken Bow Lake has over 14,000 acres of pristine deep water and is know for incredibly cool and clear waters. The marina rents jet skis and boats of all types, they even rent houseboats! Also located on Broken Bow Lake is paddle board rentals and a WWII amphibious duck vehicle for adventurous land and water tours. Beavers Bend State Park lies next to Broken Bow Lake and includes the Forest Heritage Center Museum, the Nature Center, Riding Stables and Train Depot, the Lakeview Lodge, Restaurant, an amphitheater, and Cedar Creek Golf Course. Kids love Beavers Bend because there is so much for them to do! There is fishing, hiking, playgrounds, paddle boats, miniature golf, canoe rentals and float trips, a swim beach, snow cones, bumper cars, dinosaurs, and much much more!

Mountain Fork River is one of the area's best rivers for fly fishing. This magnificent beauty is sure to take your breath away. If you would like some great family fun, then try one of our local canoe & kayak rentals that will take you on the Mtn Fork River and leave you with awe inspiring stories to take home. Whether you're fishing for trout in streams that are stocked year-round or canoeing the rapids of the Lower Mountain Fork, there is an outdoor activity suited for all ages and seasons.

Glover River has easy access to fishing, camping, wildlife viewing and other outdoor experiences. The Glover River is a good choice as it is the county's only pristine river, which means it flows with no dams to stop the course. It is sure to impress you and your family. Horseback riding along the glover river is a breathtaking experience. Other activities include wagon rides and bluff rappelling.

The City of Broken Bow has a beautiful park. With covered pavilions, walking trails, playgrounds, picnic tables, baseball fields, horseshoe pits, basketball courts, a new splash pad, and more! Fishing in the park pond is available for children and senior citizens.

Ouachita National Forest touts outstanding mountain views coupled with picturesque streams, rivers, and lakes that provide a unique and highly valued setting for outdoor recreation. The Forest offers high quality nature-related sightseeing and scenic driving as well as hunting, fishing, and dispersed camping. Learn about the area's rich history at wayside exhibits along one of the scenic drives or experience unique botanical, mineral, and prehistoric resources featured in information and educational programs. An extensive trail system provides for all types of uses including hiking, mountain biking, horseback riding, and off-highway vehicles (OHV). To learn more, visit the Welcome Center north of Broken Bow at the entrance to Beavers Bend or go to www.fs.fed.us/oonf/ouachita.htm

The McCurtain County Wilderness Area was set aside by an act of Oklahoma legislature in 1918. These 14,087 acres made up the first large tract of land assigned to the Oklahoma Department of Wildlife Conservation. Within its fenced and marked boundaries lie the only expansive virgin forest under state stewardship and it is also the last sizable expanse of old growth Oak and Shortleaf Pine forest left in the nation.

Accommodations in the Broken Bow area are bountiful. Your vacation or weekend getaway can include almost any kind of lodging you prefer. From a rustic cottage or "fisherman's retreat" to clean motels, lodges, tiny homes, and luxurious log cabins, you can find it all here. You can also find unique Bed & Breakfasts, luxury resorts or find the perfect spot for your RV with a great mountain or lake view. And for the hearty adventurer, you can find a wide variety of campgrounds and primitive sites.

The Broken Bow area is known for its luscious green forests and abundance of clear water. They provide a fun filled environment for many popular activities such as canoeing, boating, hiking, bird watching, golfing, scuba diving, hunting, mountain biking, camping, horseback riding, four wheeling, and all types of fishing. There is also plenty of cultural heritage to explore in the area as well as lots of little boutiques, antique shops, and quaint little shops, each one unique and different.
