WELCOME TO

Named after several great chiefs of the Choctaw Nation, McCurtain County occupies the extreme southeast corner of Oklahoma and is home to some of the most beautiful and breathtaking views this side of the Mississippi River. At the heart of this region is Broken Bow, a thriving community evolved from its 1911 roots as a railroad town into a sought-after tourist destination. Blending progress and tradition, Broken Bow stands as a premier destination, inviting travelers to experience its rich history and the magic that define this vibrant corner of Oklahoma.

Home to Beavers Bend State Park, the picturesque Broken Bow Lake, and Glover River, the last free flowing river in the state, McCurtain County offers a serene escape from the hustle and bustle of city life. Accommodations range from modern and rustic cabins to RV sites, yurts, and hotels, catering to groups of all sizes.

BOW

The Broken Bow Chamber of Commerce is here to help you with any tourism, relocation, or historical information you may need.

Guests can immerse themselves in exceptional fishing experiences, explore the expansive lake with its 180 miles of shoreline, and journey through the rich Native American history that has shaped the community. McCurtain County, with its proud Choctaw heritage, showcases museums and memorials, inviting visitors to connect with ancestral roots. Amid lush forests and abundant waterways, Broken Bow stands as a haven for those seeking the perfect blend of nature, history, and relaxation.

We truly hope that you will enjoy your visit. We're sure you'll find our residents friendly and helpful and our natural resources beautiful. We encourage you to take your time and stop in for a chat. *We've always got a smile and a friendly handshake for you.*

TRAIN RIDES

Take a train ride on a 1/3 size replica of the C.P. Huntington S.P. train that was built in 1863, through beautiful Beavers Bend State Park's River Bend Area. The train runs twice per hour, and the ride usually takes 20 minutes. Riders will sometimes spot some native wildlife, go down Wahoo Hill and run through a tunnel before pulling back into the station...don't forget your camera.

TRAIL RIDES

Trail rides are offered starting each hour. The ride will take you through 2 miles of scenic Beavers Bend State Park's River Bend Area. Expect to see some of the native wildlife such as white tail deer, coyote, fox squirrel, etc. The ride lasts approximately 45 minutes, but please allow an hour to complete the ride. Reservations are highly recommended, but walk-ins are welcome.

HAY RIDES

Hay rides are scheduled by reservation only. Check with Beavers Bend Depot for times of departure. The hay rides are approximately 20-30 minutes. Private hay rides for families, organizations or any other groups may be arranged by calling the Depot at 580-494-6613.

Follow the Train Signs in
